

REQUEST FOR PROPOSAL NOTICE

Supply of a Residency Matching Platform

MOH Holdings Pte Ltd is issuing a Request for Proposal to procure a Residency Matching Platform.

MOH Holdings Pte Ltd

MOHH is the holding company for Singapore's public sector healthcare providers including the National Healthcare Group (NHG) and SingHealth Services (SHS). Appointed by the Ministry of Health, the MOHH plays a crucial role in managing strategic developments of Singapore's public healthcare system. Our aim is to ensure that good and affordable basic medical services are available to all Singaporeans and to develop Singapore's healthcare system into a competitive world class global system.

Residency Matching Platform

The Residency Matching Platform will support MOHH in the posting of junior doctors to the local healthcare clusters to advance their training and development to become future specialists. The Residency Matching Platform is targeted for implementation by Dec 2010.

Request for Proposal Process

The intent of this process is to solicit proposals to procure a Residency Matching Platform

Request for Proposal Document

For interested parties, please send an e-mail request to Claudine.koh@mohh.com.sg with a subject heading of "Request for RFP documents (Ref. No. MHHCMDRFP090025)". The closing date for submission of RFP will be on 20th May 2010, 1400hrs (SGT).
